THE FOLLOWING are excerpts from a letter dated September 5, 2007 that I mailed out to a number of individuals:

I truly believe that we have little to no chance of waking up sufficient numbers of Americans (to make a “difference”) as to the great dangers our Republic is facing UNLESS we rapidly get the truth out concerning the following:

(1) Secret and semi-secret societies, such as the Jesuits, Knights of Malta, Knights of Columbus (higher levels), and Freemasonry (higher levels) must be removed from America’s shores – and their higher-level oaths must be exposed. (No “ifs”, “ands”, or “buts” about this! America will **NOT** survive with such societies within its borders!) The truth about the sinister and nefarious activities of the Jesuits especially – and the history of the Knights of Malta involvement in banking, intelligence, etc. – must continue to be exposed. No oaths should be allowed in the American Republic except the oath of protecting and defending the U.S. Constitution (as concerns political or “religious” affiliations)! The Vatican-Papacy must be recognized for the **geopolitical** entity that it is, and Americans must have their highest loyalty to our U.S. Constitutional Republic, and not to Papal Rome. (Please remember the betrayal of countries like France, Austria, and Yugoslavia during World War II by powerful Roman Catholics who betrayed their fellow countrymen – i.e., they were “fifth columns” within those countries!)

(2) It is not only the Jesuits and Knights of Malta who must be exposed. It is the entire apparatus of Papal Rome that resides here in the USA, undermining our liberties and working overtime for our **destruction**. The history of three secret meetings (Congress of Vienna in 1814-15; Verona, Italy in 1822; and Chieri, Italy in 1825) must be told to the American people. In the first two meetings, America’s **destruction** was planned by European monarchs at the urging of, and with the blessings of, the **Papacy**. (The third meeting was by top-level Jesuits.) The many quotes by popes and other top Roman Catholic prelates condemning religious liberty and freedom of speech must be brought before the American people. The many quotes by men like President John Adams, President Abraham Lincoln, LaFayette, Fyodor Dostoyevsky, Samuel Morse, etc., warning us about the **great dangers** posed by Papal Rome and the Jesuit Order must be brought before the American people. Indeed, Papal Rome’s power and influence in America **MUST** be broken – and broken quickly – or we will NOT survive as a Constitutional Republic. In his book *Rulers of Evil*, author F. Tupper Saussy pointed out the numerous top-level committee positions in both chambers of the U.S. Congress (House and Senate) that were held by powerful **Roman Catholics**. The immense wealth of Papal Rome – including her rich Knights of Malta bankers – must also be exposed.

(3) The long, bloody history of Papal Rome must be exposed. She has slaughtered up to 50 million Bible-believing Christians just during the 605-year “official timeframe” of the “Holy” Inquisition [1203-1808]! The fact that Roman Catholic authorities combined with a Fascist Police State in Croatia in the early 1940s (where they slaughtered up to one million innocent Serb Orthodox Christians) **MUST** be brought to the attention of the American people. What happened in Croatia **can** – and **may** – happen here in America – and soon! One of the best means of exposing this bloody Papal history is through the use of Richard Bennett’s 58-minute DVD (in color), “*The Inquisition*”, which covers that 605-year official history of the Inquisition. His DVD also devotes about 10 minutes to the Vatican’s Holocaust in Fascist Croatia in the early **1940s**.

(4) The REAL Antichrist [i.e., the Papacy], with its blasphemous titles and false doctrines, **MUST** be exposed! Again, one of the best “tools” for this is Richard Bennett’s DVD “*The Inquisition*”. (Steve Wohlberg’s book “*End Time DELUSIONS*” is also an excellent “tool” for exposing the REAL Antichrist, and for exposing the LIE of the Pre-Tribulation Rapture [whose “design” owes much to several Jesuit scholars].) Please consider this quote by Steve Wohlberg: “*John Wycliffe in England, Martin Luther in Germany, John Calvin in France, John Knox in Scotland, Ulrich Zwingli in Switzerland, and countless others, all preached that the humble Nazarene was the Christ and that the proud Roman papacy was the antichrist of [Holy] Scripture. As a result of this high-impact, double-edged message – for Christ and against antichrist – the river of history literally changed its course. Hundreds of thousands of people in Europe and England forsook the Roman [Catholic] Church.*” (“*End Time DELUSIONS*”; 2004; Page 112) Were all these courageous Reformers – many of them risking their LIVES to expose Papal Rome – deluded, crazy, and wrong? And if they were not deluded, crazy, and wrong, then can **we** do less than they did? Can we not see that Papal Rome is the imposter, counterfeit Church that has persecuted true Bible-believing Christians for over a 1000+ years? Can we not see that Papal Rome has many doctrines that are unscriptural, which come straight out of the Babylonian mystery religion, e.g., celibate priesthood and auricular confession? Hundreds of millions of Roman Catholics are held prisoner by a sacerdotal system that keeps most Catholics away from Jesus Christ rather than leading them to salvation in Jesus Christ by faith alone! Are we Americans doing Roman Catholics a “favor” by remaining **silent** on these issues?

(5) The large segments of the so-called “Alternative Media” and “Patriot Movement” who refuse to expose the most powerful (by far) element in the New World Order, i.e., the Vatican-Papacy-Jesuit-Knights of Malta cabal, **MUST BE EXPOSED**! Some of those who refuse to discuss the Vatican-Papacy-Jesuit-Knights of Malta cabal do so out of cowardice, I believe. However, some of them must clearly be working for the “other side” when they constantly “deflect” any discussion of this sinister Papal cabal, and many of them do so by blaming everything on “*the Jews*”! (Isn’t that exactly what they did in Nazi Germany during the decade leading up to World War II?)
